

CLEANCUT™ ELECTRODE

1 Extend Electrode Life

- More efficient cooling
- Extended hafnium electrode life
- 25% – 50% longer production time

2 Prevent Nozzle Damage

- Cooler silver electrodes diminish nozzle damage
- Nozzles paired with silver electrodes last longer

CLEANCUT™ NOZZLE

(patent pending)

3 Supercharge the Plasma Arc

- Smooth-bore configuration reduces turbulence
- Stabilizes and accelerates the plasma arc column
- Produces ultra-smooth cuts

4 Enhance Coolant Exposure

- 3x larger surface area exposed to coolant
