

WH-315 & WH-100
Welding Handles

DURABLE

Forged and extruded brass components.

TUBE WITHIN TUBE

Double walled construction.

USE ANY FUEL GAS

You'll get high performance with all fuel gas types.

100% TESTED

All American Torch Tip Gas Apparatus is 100% leak and/or flashback tested.

CHECK VALVES
CV-O, CV-F

FLASHBACK ARRESTORS
TFBA-O, TFBA-F

Check valves and flashback arrestors are available separately.

WH-315 & WH-100

Welding Handles

SPECS

VICTOR STYLE

WH-315 (Heavy Duty)
WH-100 (Medium Duty)

FITS CUTTING ATTACHMENTS

CA-2460-D (Heavy Duty)
CA-1350-D (Medium Duty)

WELDING NOZZLE

W (Heavy Duty)
W-1 (Medium Duty)

HEATING NOZZLES

MFA, MFN (Heavy Duty)
MFA-1 (Medium Duty)

GAS TYPE

Acetylene
Propylene
Natural Gas / Propane

WH-100

WH-315

Part #	Description	Hose Connection	Gas Service	Weight Pounds	Length Inches
WH-100	Medium Duty Welding Handle - Victor Style	9/16" - 18	All	0.785 lb	7 11/16"
WH-100C	Medium Duty Welding Handle - Victor Style with Check Valves	9/16" - 18	All	0.972 lb	9"
WH-100FC	Medium Duty Welding Handle - Victor Style with Flashback Arrestors / Check Valves combination	9/16" - 18	All	1.093 lb	9 7/16"

Part #	Description	Hose Connection	Gas Service	Weight Pounds	Length Inches
